RE: Project No.: 7428, Sergeants Promotional Testing on Behalf of AFRD

Dear Prospective City of Atlanta Bidder:

The Office of Contract Compliance information is an integral part of every City of Atlanta bid. All Bidders are required to make efforts to demonstrate compliance with the program requirements at or prior to the time of Bid opening, or upon request by OCC. Bidders are required to ensure that prospective subcontractors, vendors, suppliers and other potential participants are not denied opportunities to compete for work on a City contract and afford all firms, including Small Business Enterprises (SBE) opportunities to participate in the performance of the business of the City to the extent of their availability, capacity and willingness to compete. Please read all of the information very carefully. Pay close attention to the specific SBE goals for this project and the SBE program reminders listed on page 7.

Additionally, as the City of Atlanta is developing its Small Business Enterprise database, bidders will be allowed to submit the names of companies that meet the size standards of the United States Small Business Administration Guidelines. [see 13 C.F.R. § 121.201 (and further explained in 13 C.F.R. §§ 121.104 through 121.107)]. These requirements may be accessed via the internet by visiting: <http://ecfr.gpoaccess.gov/> and choosing "Title 92- Fire Protection" from the browse-able drop down field.

If you have any questions about the information included in this section of the solicitation, please contact the City of Atlanta Office of Contract Compliance at (404) 330-6010.

The City of Atlanta looks forward to the opportunity to do business with your company.

CITY OF ATLANTA
SMALL BUSINESS ENTERPRISE
POLICY STATEMENT

It is the policy of the City of Atlanta to promote full and equal business opportunity for all persons doing business with the City. The City must ensure that firms seeking to participate in contracting and procurement activities with the City are not prevented from doing so on the basis of size as it relates to revenue and number of employees. The purpose of the Small Business Enterprise Program is to ensure that the City of Atlanta has a robust race-neutral approach to promoting full and equal business opportunity for all persons doing business with the City of Atlanta, to promote commerce by assisting SBEs to actively participate in the City's procurement process, and ensure that the City of Atlanta utilizes programs that provide it with the best possible resources. SBE Goals for this project are set forth on page 6.

Implementation of SBE Policy

The Office of Contract Compliance will review information submitted by Bidders pertaining to efforts to promote opportunities for small businesses to compete for business as prime contractors, subcontractors and/or Suppliers. A Bidder is eligible for award of a City contract upon a finding by OCC that the Bidder has utilized good faith efforts to attract all businesses regardless of size. To assist prime contractors in this effort, the Office of Contract Compliance has set forth in this solicitation document the SBE goals within the relevant NAICS Codes, for this Project.

For subcontracting, the SBE Project Participation Plan must include all subcontractors to be utilized on the project, detail the services to be performed, the dollar value of the work to be performed by each subcontractor, and the City of Atlanta SBE or other acceptable certification number, and supplier id number.

For Suppliers, the Subcontractor Project Plan must include all suppliers to be utilized on the project, the supplies to be provided, including the dollar value of the supplies being provided and the City of Atlanta SBE or other acceptable certification number, and supplier id number

Determination of Good Faith Efforts During Bid Process

No Bidder shall be awarded a contract on an Eligible Project unless the Office of Contract Compliance determines that the Bidder has satisfied the requirement of section 2-1372 on such Eligible Project. Accordingly, each Bidder shall submit with each Bid the following:

1. Covenant of Non Discrimination. Each Bidder shall submit with her/his Bid a Covenant of Non-Discrimination which is set forth herein as Exhibit SBE1.
2. Outreach Efforts Documentation. Each Bidder shall submit with her/his Bid written documentation demonstrating the Bidder's outreach efforts to identify, contact, contract with, or utilize businesses, including certified SBEs, as subcontractors or Suppliers on the Eligible Project. This information shall be set forth on Exhibit SBE2, which is included herein.
3. SBE Project Participation Plan. Each Bidder shall submit with her/his Bid a completed and signed SBE Project Participation Plan, which is included herein as Exhibit SBE3, which lists the name, address, telephone number and contact person of each subcontractor or other business to be used during the contract, the NAICS Code and the type of work or service each business will perform, the dollar value of the work and the scope of work, certification number of each business, and any other information requested by the Office of Contract Compliance. In order for the Office of Contract Compliance to officially consider a firm to be an SBE firm, it must be certified by or have a certification application pending with the Office of Contract Compliance at the time of the Bid.

OCC Review of Bidder Submissions

The Office of Contract Compliance shall determine whether a Bidder has satisfied the good faith efforts requirement of section 2-1372 based on its review of the Covenant of Non Discrimination, the Outreach Efforts Documentation, the SBE Project Participation Plan, and its review of other relevant facts and circumstances. In reviewing the documents submitted by a Bidder to determine whether the Bidder has satisfied the good faith outreach practices requirement of this section, the Office of Contract Compliance will consider, among other things, the total project dollars subcontracted to or expended for services performed by other businesses, including certified SBEs, whether such businesses perform Commercially Useful Functions in the work of the contract based upon standard industry trade practices, whether any amounts paid to Supplier businesses are for goods customarily and ordinarily used based upon standard industry trade practices, and the availability of certified SBEs within the relevant NAICS Codes for such Eligible Project.

To determine whether a competitor that has failed to meet SBE goals may be awarded the contract, the city will determine whether the efforts the bidder made to obtain SBE participation were "good faith efforts." Efforts that are merely pro forma are not "good faith efforts" to meet the goals. In order to award a contract to a bidder that has failed to meet SBE contract goals, the Office of Contract Compliance will determine whether the bidder actively and aggressively made efforts to meet the City's SBE goals. A bidder making a good faith effort would consider a number of factors in negotiating with subcontractors, including SBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using SBEs is not in itself sufficient reason for a bidder's failure to meet the contract SBE goal, as long as such costs are reasonable. Also, the ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the bidder of the responsibility to make good faith efforts. Prime contractors are not, however, required to accept higher quotes from SBEs if the price difference is excessive or unreasonable. In determining whether a bidder has made good faith efforts, the Office of Contract Compliance will take into account the performance of other bidders in meeting the contract. For example, when the apparent successful bidder fails to meet the contract goal, but others meet it, the Office of Contract Compliance may reasonably raise the question of whether, with additional reasonable efforts, the apparent successful bidder could have met the goal. If the apparent successful bidder fails to meet the goal but meets or exceeds the average SBE participation obtained by other bidders, the City may view this, in conjunction with other factors, as evidence of the apparent successful bidder having made good faith efforts. Competitors that fail to meet SBE goals and fail to demonstrate "good faith efforts" shall be deemed non-responsive to the city's SBE requirements and shall not be eligible to be awarded the contract.

Small Business Enterprise Program Bid/RFP Submittals

The Covenant of Non Discrimination, the Outreach Efforts Documentation, the SBE Project Participation Plan, and any other information required by OCC in the solicitation document must be completed in their entirety by each Proponent and submitted with the other required Bid/RFP documents in order for the Bid/RFP to be considered responsive. Failure to timely submit these forms, fully completed, will result in the Bid/RFP being considered as non-responsive, and therefore, excluded from consideration.

Monitoring Of SBE Policy

Upon execution of a contract with the City of Atlanta, the successful bidder's SBE Project Participation Plan will become a part of the contract between the bidder and the City of Atlanta. The SBE Project Participation Plan will be monitored by the City of Atlanta's Office of Contract Compliance for adherence with the plan. The successful bidder will be required to provide specific information on a monthly basis that demonstrates the use of subcontractors and suppliers as indicated on the SBE Project Participation Plan. The failure of the successful bidder to provide the specific information by the specified date each month shall be sufficient cause for the City to evoke penalties as set forth in the City of Atlanta Code of Ordinances, Section 2-1373.

Implementation of EEO Policy

The City effectuates its EEO policy by adopting racial and gender work force availability for every contractor performing work for the City of Atlanta. These percentages are derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

Monitoring of EEO Policy

Upon award of a contract with the City of Atlanta, the successful bidder must submit a Contract Employment Report (CER), describing the racial and gender make-up of the firm's work force. If the CER indicates that the firm's demographic composition does not meet the adopted EEO goals, the firm will be required to submit an affirmative action plan setting forth the steps to be taken to reach the adopted goals. The CER and the affirmative action plan, if necessary, will become a part of the contract between the successful bidder and the City of Atlanta. Compliance with the EEO requirements will be monitored by the Office of Contract Compliance.

First Source Jobs Program Policy Statement

It is the policy of the City of Atlanta to provide job opportunities to the residents of the City of Atlanta, whenever possible. Every contract with the City of Atlanta creates a potential pool of new employment opportunities. The prime contractor is expected to work with the First Source Jobs Program to fill at least 50% of all new entry-level jobs, which arise from this project, with residents of the City of Atlanta.
